

Summary product information: 2 Year Fixed Rate ISA – Issue 4

Account Name	2 Year Fixed Rate ISA – Issue 4
What is the interest rate?	<p>4.01% Tax-free/AER fixed until 19 February 2025.</p> <p>AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year. Interest is paid tax free and is free from UK income tax and capital gains tax. Interest will be added to your account on 19 February each year until the account matures on 19 February 2025. Or, if you prefer, the interest can be transferred to another account with us or paid to your bank.</p> <p>You can find details of all our savings interest rates at www.scottishbs.co.uk</p>
Can Scottish Building Society change the interest rate?	The interest rate is fixed for the term of the account. This means we cannot change the rate until after the fixed rate period.
What would the estimated balance be after 2 years on a £1,000 deposit?	<p>A deposit of £1,000 at 4.01% Tax-free/AER would generate an estimated balance of 1,081.81 in 2 years.</p> <p>This projection is for illustrative purposes only and assumes that no further deposits or withdrawals are made. The illustrative example does not take into account your individual circumstances.</p>
